Mike Angelides is a partner of SimmonsCooper. Over the last decade, Mike has helped recover millions of dollars on behalf of hundreds of clients suffering from mesothelioma and other asbestos-related cancers.* Mike has extensive experience litigating personal injury and commercial cases in both federal and state courts.

Mike's work has been spotlighted in several prominent national publications. In addition, he has been an invited speaker at asbestos conferences sponsored by two of the leading asbestos legal organizations, Mealey's and PALS.

** Please note that recovery results vary per client. The recovery amounts in each case reflect the specific facts of that case. Further, recovery amounts in past cases are not a guarantee of future results.*
