Richard Fosher is a key member of our securities litigation team. Rick has broad knowledge base on the subject and extensive experience identifying key areas of broker misconduct.

Rick focuses his practice on representing individual investors who have lost large sums of money due to securities fraud or broker misconduct, particularly involving large brokerage firms. In 2004 Rick was recognized by *Missouri Lawyers Weekly* and *Piaba Law* for recovering large compensatory and punitive damage awards.*

** Please note that recovery results vary per client. The recovery amounts in each case reflect the specific facts of that case. Further, recovery amounts in past cases are not a guarantee of future results.*

Noteworthy

- Featured in Missouri Lawyers Weekly for large compensatory and punitive damage award in December 2004.
- Featured in Piaba law journal for consecutive large punitive damage awards in November and December of 2004.
